# NATIONAL CERTIFICATE OF CONSTANCY OF PERFORMANCE

No. 030-UWB-048/23

In compliance with Decree of Ministry of Infrastructure and Construction of 17 November 2016 on ways of declaring performance of construction products and the method of marking them with a construction sign (Dz. U. 2016, item 1966 with later amendments), this certificate applies to the construction product:

## **Gully tops and manhole tops made of cast iron** for vehicular and pedestrian areas

covered by Polish Standard:

**PN-EN 124-2:2015-07**

placed on the market under the name or trade mark of the manufacturer:

### **FUNDICIONES DE ODENA S.A.**

Ctra. N-II, km. 555,2; 08711 Odena (Barcelona), Spain

produced in the manufacturing plant:

### **FUNDICIONES DE ODENA S.A.**

Ctra. N-II, km. 555,2; 08711 Odena (Barcelona), Spain

This certificate attests that all provisions resulting from **national system 1**, concerning the assessment and verification of constancy of performance with regard to declared performance of product related to its intended use, as defined in this certificate, are applied and that the **manufacturer has implemented factory production control system to ensure maintenance of constancy of this performance**.

This certificate was first issued on **18 July 2017** and will remain valid to **17 July 2026** on condition that neither the Polish Standard, methods of assessment and verification of constancy of performance, nor the construction product itself and its manufacturing conditions are modified significantly unless suspended or withdrawn by the accredited product certification body.

The detailed scope of the certification is specified in an attachment to this certificate.
